Good for grief

Article Launched: 04/22/2007 09:50:33 PM PDT

With the country grieving over the loss of 32 innocent students at Virginia Tech, the importance of supportive networks and counseling is heavy on our national consciousness. If you know someone dealing with a devastating loss, you might consider helping them through their difficult time with a Good Grief Care Package from the Good Grief Center for Bereavement Support. A \$79.95 kit includes an exquisite, blooming orchid, a journal to record private expressions, a set of "Quiet Moments" cards with quotations and suggestions, and a CD with a guided meditation and relaxing music from Bach and Mozart. Available at the center's grief support Web site at www.goodgriefcenter.com.
